

Operation
HOME Front

June 17, 2025

Dear Virgil:

Safe America is now doing MORE to save veterans... like those who are homeless. And, as the Veterans Administration (VA) has been in touch with us in months, we did help veterans... and helped some of them to get up in Cherokee County – and partnering with the Cherokee County Homeless Vets Program.

I appreciated what you provided us in 2023 for veterans. And, if you can offer \$10,000 again this summer, that'd be great!

More we can chat. And you can call me at (770)-509-7958.

Sincerely,
